Birthday Party

Jason: Hi Amanda, I enjoyed my last birthday party. We planned it carefully and invited all our friends.

Amanda: What did you do at the party?

Jason: We played charades, watched a movie, and decorated the room with balloons and costumes. We had a superheroes theme.

Amanda: That sounds amazing! What did you eat?

Jason: We had cake, sandwiches, juice, and soda. We also played games like hide and seek and had a costume contest.

Amanda: That sounds like a great time! Did you stay up late?

Jason: Yes, we talked about our favorite movies and books. My friend won the costume contest, dressing up as Batman.

Amanda: Wow, that's impressive! Did you dress up as a superhero too?

Jason: Yes, I dressed up as Superman. My favorite part was when we all sang happy birthday together.

Amanda: Aw, that sounds sweet. Did you get any good birthday presents?

Jason: Yes, I got new books and a video game. Maybe we can have a movie night soon?

Amanda: That sounds like a great idea! I'll talk to you later and we can figure out the details.

Jason: Sounds good, I'm looking forward to it. Thanks for chatting with me about my birthday party.

Amanda: No problem, it was fun to hear about it.
