Weekend Trip

Mia: Hi Leo! I'm so excited. We are going to plan our weekend trip today!

Leo: Hi Mia! Me too! I was just thinking about it. I am going to look at some places online later for good hiking trails and maybe a nice viewpoint.

Mia: Yes, it's going to be great! I really need a break from work. I hope we can relax and have fun.

Leo: Definitely! I'm looking forward to getting some fresh air and seeing new places. I will check the train schedules too, after we decide where to go.

Mia: Great! So, where should we go? Beach or mountains? I like both, but the mountains sound more adventurous right now.

Leo: Hmm, the beach is nice, but I think it will be too cold this weekend. The weather forecast said 'chilly' and windy. How about the mountains? We can walk a lot and enjoy nature.

Mia: Mountains? That's a good idea! I love walking and fresh air. We will see beautiful trees and maybe some animals. I will pack my hiking shoes then, and a warm jacket, maybe even a hat.

Leo: Perfect! I think the view from the top will be amazing. We will probably see some nice birds, like eagles, and maybe even a deer if we are quiet. It's going to be a wonderful experience.

Mia: I hope so! My sister is visiting her friend on Saturday, so she can't come with us. It will just be us two, which is fine.
