## Planning Our School Holiday Trip

Liam: School holidays start next week! We need to decide on a trip.

Chloe: I saw a brochure for a mountain camping trip. It looks amazing.

Sam: Camping? Might be too cold. I was looking at a beach resort. Sunny weather, blue water.

Liam: Beach sounds nice, Sam. But camping could be adventurous. What activities, Chloe?

Chloe: Hiking, caves, campfire stories. Sounds exciting. Challenging trails.

Sam: Caves? Scary. The beach has swimming, sunbathing, water sports. More relaxing, more fun.

Liam: Relaxing is good. But camping is exciting. Maybe a place with both? Or compare costs?

Beach might be expensive.

Chloe: Good idea, Liam. Camping was cheaper. Most affordable option. Resort seemed pricier, especially ocean views.

Sam: Money's important. But I want a warmer holiday. Warmer camping? Or a less crowded beach? I like quiet.

Liam: So Chloe wants mountains for adventure, Sam wants beach for relaxation. We need a compromise. What about a lake house? Warmer than mountains, we can swim or kayak. Less crowded than the beach.

Chloe: A lake house... good middle ground. We can hike around the lake, warmer than mountains.

Sam: Yes, lake house is better than cold camping. We can swim and relax. Usually sunny?

Liam: Generally, yes. Sunnier than mountains, less humid than the beach. Let's check the forecast.

Best option! Let's book!

Chloe: Agreed! Lake house sounds perfect. Better compromise.

Sam: Happy with that! Let's book it!
